Sirman Sterilizers , model Ster UV 24w :

- Made from AISI430 stainless steel.
- Chamber is closed by a smoked plexiglass door.
- Removable see-through plexiglass knives holder makes sanitation easier and allows sterilization without having to rotate the knives.
- Knives holder with built in drops collecting tray. (only on 24W version).
- Mercury vapour lamp with wire screen protection.
- A safety microswitch switches the lamps on when the door is opened and switches them off when it is closed.
- The curtesy lamp, on 24W model, turns on only when the switch is "on" and the timer is at "0".

Knife storage unit removable

Data sheet
