Leading Food Service & Laundry Equipment Specialist in APAC

INTRODUCTION

THE LEADING FOOD SERVICE & LAUNDRY SOLUTIONS PROVIDER

Founded in 2005 by a team with over 20 years of expertise in food service and laundry industry, BT International stands as a leader in delivering innovative, customer-centric solutions in food service & laundry sectors. Our comprehensive services encompass every stage of project execution - from design and project coordination, to equipment supply, installation, testing, commissioning, and after-sale service.

Our expertise extends across various sectors, including resorts, hotels, restaurants, airline catering, canteens, and other food and beverage establishments. We are dedicated to providing state-of-the-art equipment and exceptional service, ensuring that each project is completed with precision and efficiency.

With a commitment to excellence and a focus on customer satisfaction, BT International integrates Quality Management ISO 9001:2015 and Environmental Management ISO 14001:2015 standards into all aspects of our operations. This ensures that we maintain the highest levels of quality and environmental responsibility in delivering top-tier kitchen and food service environments.

We are dedicated to providing state-of-the-art equipment and exceptional service, ensuring that each project is completed with precision and efficiency.

OUR HISTORY

PRESENT

BT International operates 4 offices in Vietnam and India, and continues to expand.

2018

Rebranded to BT International, reflecting our global growth and commitment to innovation.

2015

Established India Office, further extending our reach in the region.

2013

- Established Da Nang Office to continue on expanding regional presence.
- Established Myanmar Office, marking our entry into the Southeast Asian market.

2010

Established Hanoi Office to expand our regional presence.

2008

Started Bao Thach and merged with Nam An, enhancing our service capabilities.

2005

Founded as Nam An, beginning our journey in kitchen and laundry solutions provider.

“
TRUST IS THE BASIS OF OUR SUCCESS
”

We deeply understand the need for cooperation, unity, and transparency. At the core of our corporate values, we promote TRUST, nurturing and preserving it as our highest priority.

OUR CORE VALUE

- **TRUST**
Trust is the basis of our success and our most valuable asset. We nurture and preserve trust as our highest priority.
- **CUSTOMER SATISFACTION**
We ensure our customers' satisfaction through every aspects of our products and service.
- **PARTNERSHIP**
We value our business partners and our investors, ensuring an attractive return on investment through sustainable growth.
- **PEOPLE**
We invest significantly in our people encouraging their personal growth and empowering them to contribute meaningfully to the company's goals.
- **SUSTAINABILITY**
We prioritize the well-being of the community and environmental sustainability.

OUR VISION

- To be the leading provider of premier industrial food service and laundry solutions in Southeast Asia, setting the standard for excellence in service and innovation across hotels, resorts, restaurants, airline catering, canteens, schools, international hospitals and other food service and laundry facilities.

OUR MISSION

- Our mission is to deliver innovative, effective, and practical solutions that meet all customers' needs while optimizing profitability.

OUR SERVICES

DESIGN & PLAN

We create customized kitchen layouts and plans that optimize space and functionality. Our design team works closely with clients to develop detailed and innovative solutions that meet their specific needs and operational requirements.

PROJECT COORDINATION

Our team manages every aspect of the project, from scheduling and budgeting to procurement and logistics. We ensure seamless communication and coordination among all stakeholders to guarantee timely and efficient project completion.

EQUIPMENTS SELECTION & SUPPLY

We source and provide a comprehensive range of high-quality kitchen equipment, including cooking appliances, refrigeration units, and more. Our equipment is selected for its reliability, performance, and compliance with industry standards.

INSTALLATION

Expertly installing kitchen equipment and systems, ensuring that all components are set up correctly, adhere to safety regulations, and function as intended.

TESTING & COMMISSIONING (T&C)

Conducting thorough testing and commissioning of installed equipment to verify proper operation, performance, and compliance with specifications before handover.

AFTER-SALES SERVICE

We offer ongoing support and maintenance to ensure the continued efficiency and reliability of all installed equipment. Our after-sales service includes repairs, replacements, and technical assistance to address any issues promptly.
